

# Marie- Geneviève Pawlak

---

## SPEAKING BIOGRAPHY

Marie Geneviève specializes in team leadership, employee experience, and team operations. She has dedicated herself to helping teams' leaders create meaning in their own lives and in their organizations, which results in motivated and engaged employees, customer commitment, and bottom-line performance. Her mission is to inspire better workplaces for everyone.

Her talks are witty, interactive and meaningful.

Sample topics are:

**Murder by meeting** (How to create productive meetings)

**The Case for Kindness** (How Kindness can be profitable)

**Stop Surveying Me** (Going beyond Employee Engagement and creating an experience)

**The Human Factor** (How to create a customer experience)

**If Feedback is a Gift, how do I write the thank you card?** (Receiving Feedback)

## Education

**Lewis University, Romeoville, IL**

- Coach Training - ICF Certified Training
- Master's in organizational leadership

## Leadership

Marie led multi-functional teams as the Leadership Coach for the 4rd largest Abrasive Manufacturing company in the world. She was the VP of Student Services for a Multi-State Educational system, worked as a International Relations Expert in Japan and the Midwest Strategist for EdFund.
